

Givmor™

We Are

We are an enthusiastic team of young entrepreneurs with an advantage of knowledge of an amalgamation of taste preferences of children and adults. The Confectionery products we create tinkers the taste buds of children and serve the purpose of snacks among adults. The headquarters and manufacturing unit is based in Gujarat, India compliant with all environmental concerns and adherence to labour laws. We focus on clean manufacturing environment, hygienic practices, healthy ingredients, law compliances et al.
